## THE JUICY CUBE

The <sup>ir</sup>resistable cube that has it all!

By: Petra K. Alfred

Are you the kind of person who doesn't even have three minutes to make a jug of insta-juice? Well then the Juicy Cube is for you! The Juicy Cube is a fruit-flavored ice cube that can turn any normal glass of water into a cool, delicious punch in less than thirty seconds! It isn't only INSANELY tasty, but it has all-natural ingredients, and 60% less sugar than the other brands. As a result, there is a smaller chance of you falling into a sugar coma, when you can't get enough of the Juicy Cube. AMAZING HUH!? Well... You know what they say: The Juicy Cube is the most <sup>ir</sup>resistable cube that has it all!

The Juicy Cube has a variety of different flavours that you will surely love! For instance, Outrageous Orange, which is full of vitamin C. As well as Bursting Banana, which includes vitamin K, and is high in <sup>ssium</sup>potaclo<sup>m</sup>. Not only that, but the spectacular banana flavoured Juicy Cube <sup>o</sup>builds bones, prevents blood clog<sup>g</sup>ing, and protects the heart. That is one powerful flavour! Along with those, the other flavours have all the vitamins from their original fruit, with an added vitamin C, such as, Amazing Apple, Mouth Watering Mango, Groovy Grape, Sizzling Strawberry and SO MUCH MORE! You'll NEVER get tired of the Juicy Cube!
